Lt. Col. John V. Cronbach  
Military Intelligence Division 2-2  
Room 3641, Munitions Bldg.  
Washington, D. C.

Dear Colonel:

I missed a point and so did you. If there is a duplicate set made up, so much the better, but you know as well as I do that I can't send it to you without your discussing it with Col. Goodfellow, as you mentioned in your letter that you would do.

You will be interested to know that we finally got these priorities for Hollywood after a long battle.

Sincerely,

Lawrence H. Lowman,  
Major, AUS
